DATASHEET / BROCHURE

Print high-quality documents at superfast 100ipm speeds with this reliable and environmentally-friendly departmental colour A3 business MFP.

The WorkForce Enterprise business inkjet printer combines ultra-fast performance with low energy consumption. Designed for printing high volume jobs, this environmentally smart multifunction business printer is capable of delivering superb print quality at superfast speeds up to 100ipm.

High speed

Discover excellent quality at incredibly high speeds. Enjoy consistently superb image quality at 600 x 2400dpi and print speeds up to 100 images per minute in simplex and duplex, matching and even beating most laser printers. Take advantage of up to one and a half times faster for first page out and two and a half times faster for typical business print jobs of just a few pages than colour lasers and copiers¹.

Reduces environmental impact

Use up to 88% less energy compared to lasers¹. With low waste supplies and a simple working mechanism the WorkForce Enterprise reduces the environmental impact of print, by providing a low power solution with fewer supplies required. Enjoy a high paper capacity of 5,350 sheets, and print up to 100K black² or 50K colour pages without replenishing ink.

Quality without compromise

Increase productivity without sacrificing quality with this multi-function printer. The combination of Epson's PrecisionCore linehead inkjet technology, liquid inks and efficient paper transport mechanism gives you a printer that delivers.

Advanced integration improves workflow

Take advantage of a wide range of software solutions from remote management to accounting and Follow Me Solutions. These can be integrated into your existing IT infrastructure to improve productivity and increase efficiency.
